

## 2022 Dealer Application

To become a Feedback Sports dealer, we invite you to order from one of our trusted distribution partners. They maintain our entire range in stock, stock spare parts, offer great pricing, ship immediately, and provide excellent service. In the USA and Canada, please contact Quality Bicycle Products or Trek Bicycles to place orders.

In the unlikely event that your distributor does not have the items you need, you're welcome to apply to open a dealer direct account with us. Please complete all the fields below and return this form to [sales@feedbacksports.com](mailto:sales@feedbacksports.com).

### Company Information
